1. EXECUTIVE SUMMARY

1.1. Description of the deliverable content and purpose

This deliverable is prepared to inform about the release of the first APOLO dissemination video. The video is prepared in June 2024 and uploaded to the YouTube channel which could be accessed through the following link:

<https://www.youtube.com/watch?v=hXFBeboHUmk>

The video is also available in the public website of:

<https://apoloproject.eu>

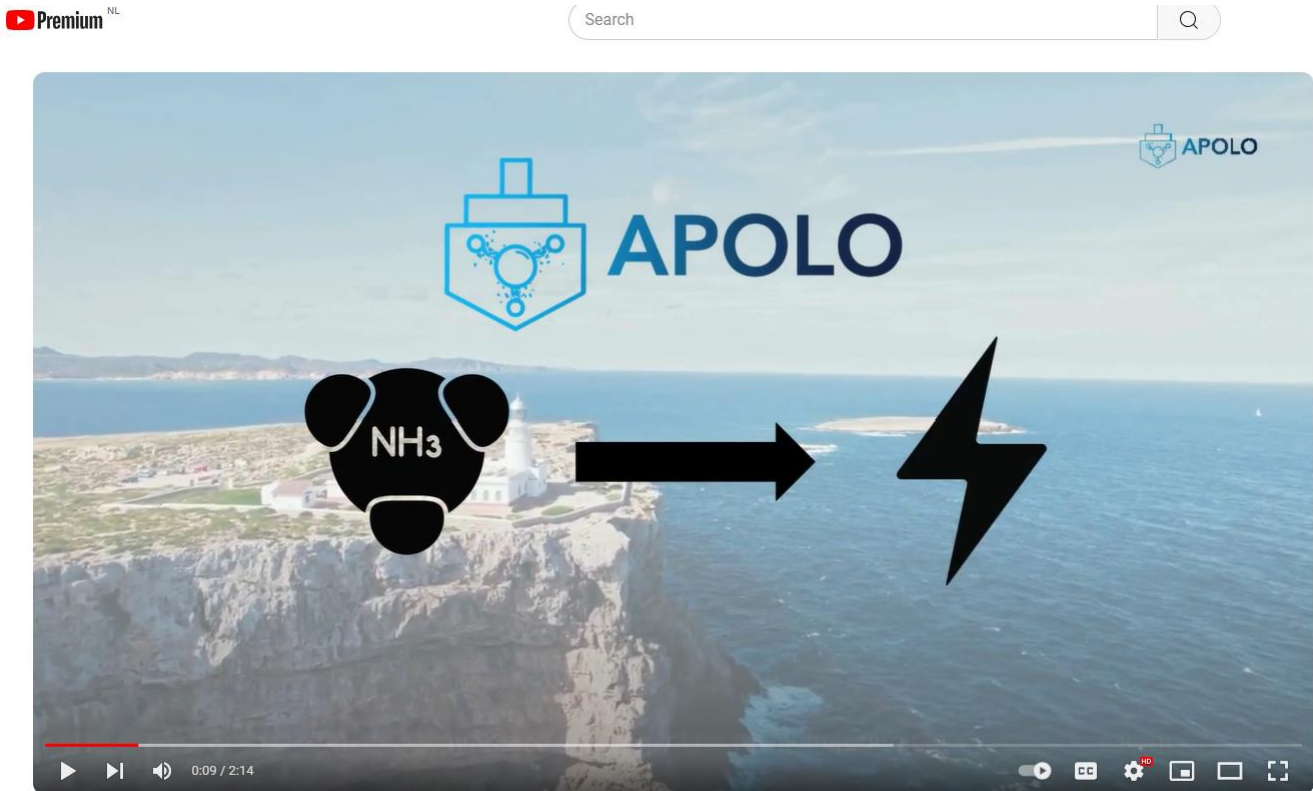

1.2. Deviation from objectives

A slight delay of one week was observed in drafting the deliverable.

2. DISSEMINATION VIDEO

1CUBE has designed and provided the official APOLO first dissemination video. The video is uploaded to the website (<https://www.apoloproject.eu/dissemination/videos/>) and on YouTube as seen in Figure 1:

<https://www.youtube.com/watch?v=hXFBeboHUmk>

Apolo project

Figure 1. Screenshot of the first dissemination video of APOLO project on YouTube.

3. CONCLUSIONS

The first dissemination video of APOLO was successfully prepared to introduce the project and partners, show the objectives and technologies and the impact of it in the society.
